

Dear LEDP Parents,

With the arrival of the warm and sunny weather, it is time to think about protecting your child(ren)'s skin with sunscreen. LEDP purchases Coppertone Waterbabies Sunscreen, SPF 50. We would be happy to apply it to your child(ren) each afternoon before heading outdoors. If you are interested in having sunscreen applied to your child(ren), please sign the permission form below and return it to your child's teachers. If you prefer to have a different brand of sunscreen applied to your child(ren), feel free to bring in a labeled bottle of sunscreen along with written permission for the teachers to apply it. If you have any questions, please do not hesitate to ask. Thank you!

The LEDP Staff

I give my permission for the LEDP teachers to apply
Coppertone Waterbabies, SPF 50 to my child(ren),
